

4.2.7 The Media

Students are expected to be familiar with sociological explanations of the following content:

- the new media and their significance for an understanding of the role of the media in contemporary society
- the relationship between ownership and control of the media
- the media, globalisation and popular culture
- the processes of selection and presentation of the content of the news
- media representations of age, social class, ethnicity, gender, sexuality and disability
- the relationship between the media, their content and presentation, and audiences.
