

3.6 Human resource management

Students should consider the following throughout this section of the specification:

- how developments in technology are affecting decision making and activities in relation to human resources (eg changing the nature of work, the skills that are required and ways of working such as remote working)
- ethical and environmental influences on human resources decisions
- market conditions (including the labour market) and competition
- how human resource decisions help improve the competitiveness of a business
- the interrelationship between human resource decisions and other functions.
