

3.4 Guidance on theatrical skills

3.4.1 Performer

Students who have chosen performing as a specialism are expected to:

- learn how to interpret characters or develop roles that contribute positively to the overall effect of the performance and are fully aligned with the dramatic aims of the group
- develop vocal skills and techniques including the appropriate use of vocal expression, regional or national accent, clarity of diction, pace, pitch, pause, projection, intonation, inflection and rhythm; verse-speaking

- develop physical skills and techniques including the appropriate use of movement, body language, posture, gesture, gait, agility, synchronisation, fluidity
- develop facial expression and techniques including for example eye contact, listening and response, expression of mood
- develop skills and techniques in ensemble playing showing awareness of spatial relationships; choral work
- develop understanding of the configuration of the performer/audience relationship
- develop interpretative skills and invention to communicate meaning
- adopt the latest safe working practices.
