

3.4.8 SH: Confidence Intervals

	Content
SH1	Construct symmetric confidence intervals for the mean of a normal distribution with known variance.

	Content
SH2	Construct symmetric confidence intervals from large samples, for the mean of a normal distribution with unknown variance.

	Content
SH3	Make inferences from constructed or given confidence intervals.

	Content
SH4	Construct symmetric confidence intervals from small samples, for the mean of a normal distribution with unknown variance using the t -distribution.
