

### 3.3.3 Non-exam assessment mark scheme guidance

#### Level 4

Detailed, effective, thorough, complete, well-developed.

##### Overall description of level

- The research question(s) will be effectively identified and preliminary research will be thoroughly undertaken with well-understood and well-stated contexts.
- The methods of field investigation will be detailed and thorough with reasoned justification.
- The methods of critical analysis will be effective, developed and complete.
- The conclusions and evaluation will be thorough, effective and complete and the presentation will be logical and coherent.

#### Level 3

Clear, secure, explicit, focused, precise, consistent.

##### Overall description of this level

- The research question(s) will be securely identified and preliminary research will be focused with consistently understood and stated contexts.
- The methods of field investigation will be clear and relevant with explicit justification.
- The methods of critical analysis will be clear, precise and consistent.
- The conclusions and evaluation will be clear, secure and focused and the presentation will be clear and precise.

#### Level 2

Intermittent, partial, some, implicit, imprecise, inconsistent.

### Overall description of this level

- The research question(s) will be partial and preliminary research will be imprecise with inconsistently understood and stated contexts.
- The methods of field investigation will be intermittently applied with only some aspects justified.
- The methods of critical analysis will be imprecise, partial and inconsistent.
- The conclusions and evaluation will be partial and inconsistent and the presentation will be incomplete.

### Level 1

Basic, limited, tentative, generalised, isolated.

### Overall description of level

- The research question(s) will be generalised and preliminary research will be limited with only isolated contexts.
- The methods of field investigation will be basic and limited in scope with tentative justification.
- The methods of critical analysis will be basic, limited and tentative.
- The conclusions and evaluation will be limited and generalised and the presentation will be basic.
