

3.3 Grammar

AS and A-level students will be expected to have studied the grammatical system and structures of the language during their course. Knowledge of the grammar and structures specified for GCSE is assumed.

In the exam students will be required to use, actively and accurately, grammar and structures appropriate to the tasks set, drawn from the following lists. The mention of an item in these lists implies knowledge of both its forms and its functions at an appropriate level of accuracy and complexity.

The lists are divided into AS and A-level. The examples in *italics* in parentheses are indicative; they serve to illustrate the part of speech or structure that the student must know and do not represent an exhaustive specification of the required grammatical knowledge. For items marked (R), receptive knowledge only is required.

A-level students will be expected to have studied all grammar and structures that appear in the lists for **both** AS and A-level.
