

3.8.4 Unassessed participants

Students must complete an individual cross-media production. Students may, however, use unassessed participants to:

- appear in their media products
- operate equipment under the direction of the assessed student.

All unassessed participants involved in the products must be listed on the Candidate Record Form (CRF). Assessed students can only be credited for work they have undertaken themselves or has been completed under their direction. Students and teachers will be required to sign the CRF to confirm that this is the case.

Credit can only be given for contributions made by unassessed participants under the clear direction of the assessed student. Details of what each of the unassessed participants contributed to the product and how the assessed student directed that contribution should be listed on the Candidate Record Form.
