

3.1 Appraising music

The areas of study provide an appropriate focus for students to appraise, develop and demonstrate an in-depth knowledge and understanding of musical elements, musical contexts and musical language. The areas of study can also provide a rich source of material for your students to work with when developing performance and composition skills.

There are seven areas of study:

1. Western classical tradition 1650–1910 (compulsory)
2. Pop music
3. Music for media
4. Music for theatre
5. Jazz
6. Contemporary traditional music
7. Art music since 1910.

Students **must** study Area of study 1: Western classical tradition 1650–1910 and choose **two** from Areas of study 2–7.
