

3.3.1 Documenting the composition

Programme note

Students must write a Programme note of approximately 150 words for each composition, which clearly informs the assessor of their compositional intention. This must include how it relates to the selected audience/occasion. Students must also provide details of any software and hardware used in their compositional process.

In all cases the recording of the composition must be accompanied by one or more of the following documents:

- staff notated score
- lead sheet
- aural guide.

Please refer to [Component 3: Composition assessment grids](#) (page 41) for more information about how composition will be marked.
