

4.2.8 Stratification and Differentiation

Students are expected to be familiar with sociological explanations of the following content:

- stratification and differentiation by social class, gender, ethnicity and age
- dimensions of inequality: class, status and power; differences in life-chances by social class, gender, ethnicity, age and disability
- the problems of defining and measuring social class; occupation, gender and social class
- changes in structures of inequality, including globalisation and the transnational capitalist class, and the implications of these changes
- the nature, extent and significance of patterns of social mobility.
