

3.2.3 What is the role of the media and the free press?

- The rights, responsibilities and role of the media and a free press in informing and influencing public opinion, providing a forum for the communication and exchange of ideas and opinions, and in holding those in power to account.
- The right of the media to investigate and report on issues of public interest subject to the need for accuracy and respect for people's privacy and dignity.
- The operation of press regulation and examples of where censorship is used.
