

3.3 Rights and responsibilities

In this theme students will look at the nature of laws and the principles upon which laws are based, how the citizen engages with legal processes, how the justice system operates in the UK, how laws have developed over time and how society deals with criminality. Students will consider also how rights are protected, the nature of universal human rights and how the UK participates in international treaties and agreements. This theme also considers how the citizen can both play a part and bring about change within the legal system.
