

3.2.1 Creating devised drama

Students must learn how to create and develop ideas to communicate meaning in a devised theatrical performance.

Students must draw on and demonstrate a practical understanding of the subject content listed in [Knowledge and understanding](#) (page 11).

Students must develop their ability to:

- carry out research
- develop their own ideas
- collaborate with others
- rehearse, refine and amend their work in progress
- analyse and evaluate their own process of creating devised drama.

For assessment, students must produce an individual Devising log documenting their devising process and an analysis and evaluation of their contribution.

See [The Devising log](#) (page 26) for details.
