

3.2.2 Performing devised drama

Students must learn how to contribute to devised drama in a live theatre context for an audience. They must contribute as either a performer or designer.

Students must draw on and demonstrate a practical understanding of the subject content listed in [Knowledge and understanding](#) (page 11).

They must develop their ability to:

- create and communicate meaning
- realise artistic intention in devised drama.

For assessment, students must perform or create realised designs for a devised duologue or group piece.

See [The devised performance](#) (page 28) for details.
