

3.4.5 Costume designer

Costume designs may include masks, hair and make-up as well as clothing.

Students who have chosen costume design as a specialism are expected to:

- learn how to design and realise costumes that contribute positively to the overall effect of the performance and communicate intended meaning for an audience
- develop the ability to design and realise costumes capable of establishing the character, period, location and/or contributing to the mood or atmosphere as appropriate
- develop the ability to select appropriate materials to realise costumes showing an understanding of fabrics, textures, trimmings, accessories etc
- develop the ability to create costumes showing an understanding of colour, shape, appropriate fit, period detail, ethnic authenticity, movement constraints
- develop the ability to create costumes showing an understanding of the intentions of the performance, individual performer requirements, theatrical devices
- adopt the latest safe working practices.

Where students include make-up and hair in their designs they are expected to:

- develop the ability to select appropriate materials to realise their make-up design showing an understanding of different types of make-up eg grease-paint, liquids, powders, facial hair, eyelashes, gum, putty, prosthetics, stage blood
- develop the ability to create character through make-up: aging, fantasy characters
- develop the ability to create hairstyles appropriate to character, period, age, ethnicity.

It is the student's costume **design** that is assessed. Although students are expected to assemble the costume(s) when possible, this will not form part of the assessment.
