

3.5 Vocabulary

The minimum core vocabulary lists are primarily intended as a guide for teachers to assist in the planning of schemes of work.

The assessment tasks at Foundation Tier will require students to understand and respond to common or familiar words and/or forms of words that are not on the vocabulary list.

The assessment tasks at Higher Tier will require students to understand and respond to words and/or forms of words that are not on the vocabulary list and which are less common or familiar than those used in relation to Foundation Tier assessments.

Vocabulary listed under a particular theme should be considered transferable, as appropriate, to the other themes.

Students will be expected to be familiar with feminine forms of nouns/adjectives where these are not given.

The vocabulary lists reflect the spelling rules in force before the changes approved by the Académie française were introduced. Examiners will accept both versions of the spellings affected by this reform, ie old and new.
