

3.2 Performing music

Students must be able to perform live music using one or both of the following ways:

- instrumental (including DJ)/vocal
- production via technology.

One performance **must** be as a soloist and **one** piece **must** be as part of an ensemble lasting a combined minimum of **four** minutes. The performance as part of an ensemble must last for a minimum of **one** minute.

Repertoire will be determined by the student and teacher. It need not reference an area of study and can be in any chosen style or genre.

Students must be able to interpret relevant musical elements as appropriate using resources (eg microphones) and techniques (eg *pizzicato*) as appropriate to communicate musical ideas with accuracy and expression and interpretation, including phrasing and dynamics appropriate to the style and mood of the music.

If students choose to perform using non-standard instruments (ie for which there are no nationally recognised accredited music grades) the requirements for instrumental/vocal **must** be followed.

Please refer to [Component 2: Performing music assessment grids](#) (page 34) for information about how to mark performances.

In all cases, the recording of the performances must be accompanied by one or more of the following documents, as appropriate to the type of performance:

- notated score
- lead sheet
- guide recording
- annotation.
