

3.3.1 Documenting the composition

Programme note

Students must write a Programme note of approximately 150 words for each composition, which clearly informs the assessor of the compositional intention, including the intended audience/occasion. Students must also identify the types of musical element selected and provide details of any software and hardware used in their compositional process.

In all cases the audio recording of the composition and Programme note must be accompanied by one or more of the following documents:

- staff notated score
- lead sheet
- aural guide.

Please refer to [Component 3: Composing music assessment grid](#) (page 44) for information about how to mark compositions.
