

3.3.3 Conjugal role relationships

Content	Additional information
• Different views of conjugal role relationships. • The feminist perspective of Oakley on the idea of the conventional family.	Students should be able to: • identify, describe and explain joint and segregated conjugal roles • describe and explain the domestic division of labour in both traditional and contemporary families • demonstrate their understanding of issues that impact on conjugal role relationships within the contemporary family including decision making, money management, dual career families, child rearing and leisure activities • describe, compare and contrast a variety of sociological perspectives on conjugal role relationships (functionalist, feminist and Marxist).
