

3.5.4 Data on crime

Content	Additional information
The usefulness of the main sources of data on crime, the collection of official data on crime, patterns and trends in crime figures and the 'dark figure'.	Students should be able to: • identify and describe the main sources of data on crime • describe the pattern and trends in crime figures using relevant statistical data • explain the 'dark figure' of crime (unreported and unrecorded crime) • describe, compare and contrast a variety of sociological perspectives on the use of data on crime (functionalist, feminist and Marxist).
