

3.4 Tasks for activity c

Tasks for activity c — quantitative measurement for the AS are as follows.

Activity code	Title	Unit
ASC1	Acid-base titration — finding the molar mass of a solid acid	Unit 1, Topic 1.3: Formulae, equations and amounts of substance Unit 2, Topic 2.7: The periodic table — groups 2 and 7
ASC2	Finding the enthalpy change for the reaction between an acid and a base	Unit 1, Topic 1.4: Energetics
ASC3	Sodium thiosulfate(V)-iodine titration	Unit 2, Topic 2.7: The periodic table — groups 2 and 7
ASC4	Hess's Law	Unit 1, Topic 1.4: Energetics
