

1.1 Unit description

This unit rewards students for their ability to converse in French on a general topic area that they have chosen in advance. Students will need to demonstrate that they can engage in a discussion in French that relates to a chosen general topic area and allied subtopics. The first part of the assessment will focus on an Edexcel-provided stimulus that links to the chosen general topic area but the conversation will then move away from the stimulus to consider other aspects of the chosen topic area.

Students will be expected to give relevant and appropriate information, convey opinions, interact and respond to a range of questions. They must choose **one** of the following general topic areas:

- Youth culture and concerns
- Lifestyle: health and fitness
- The world around us: travel, tourism, environmental issues and the French-speaking world
- Education and employment.
