
3.2 Assessment information

Format

This section attracts a maximum of **50 marks**.

Students will first need to outline their chosen issue for about **one** minute, adopting a definite stance towards the issue. They should then defend and justify their opinions for up to **four** minutes. The teacher/examiner* will then initiate a spontaneous discussion in which a minimum of two further unpredictable areas of discussion will be covered. These issues may or may not relate to the chosen issue but will not require specialised factual knowledge or relate to French-language culture. This unit therefore assesses advanced-level understanding as well as speaking skills.

Students will be required to take into the examination a brief written statement on an *Oral chosen issue form* and may refer to this in the test. More details are available in the *GCE oral training guide*. For more information on this please visit the Edexcel website (www.edexcel.org.uk). The chosen issue does not have to relate to any of the general topic areas for this specification.

Centres will need to record the full assessment of all students on either cassette or CD.

All students for this unit will be assessed by Edexcel.

*It is usual for teachers to conduct this assessment with their students during a timetabled assessment window in April/May, although Edexcel offers a visiting examiner facility for centres that have a minimum of ten AS and/or A2 students. For timetable and fee information, please consult the Edexcel website: www.edexcel.org.uk.
