
Paper 2, Option 2H.2:

The USA, 1955–92: conformity and challenge

Overview

This option comprises a study in depth of the USA in the years 1955–92, from post-1945 affluence, through racial and political protests in the 1960s, to the rise of right-wing groups in the 1980s and the development of bitter divisions between Democrats and Republicans.

Students will gain an in-depth understanding of the challenges posed to the American political system by popular protests and different styles of leadership, and the effects on society of widespread economic, social and cultural change.
