

Knowledge, Skills and Understanding

Paper 3

Introduction to the Paper 3 options

The relevant pages in this section specify the substantive content that must be taught for the chosen option. All of the content for each option is mandatory.

Each Paper 3 option has two focuses: *Aspects in breadth* (containing themes) and *Aspects in depth* (containing key topics).

The *Aspects in breadth* focus on developments and changes over an extended timescale of at least 100 years. As well as understanding the content, students will need to develop the skills needed to be able to answer questions that target understanding of long-term changes (AO1). The *Aspects in breadth* also help to contextualise the *Aspects in depth*, but without duplicating content.

The *Aspects in depth* require a more in-depth understanding than the *Aspects in breadth*. As well as understanding the specified content, students will need to develop the skills needed to be able to answer questions that target knowledge and understanding of the period (AO1) and questions that target the ability to analyse and evaluate sources (AO2).

Further information about the knowledge, skills and understanding to be assessed can be found in *Appendix 7*.
