This unit focuses on listening to familiar music and understanding how it works. Set works from the anthology provide the focus for the first two sections, through listening and studying scores. It is recommended that students familiarise themselves with each work as a whole, before learning how to identify important musical features and social and historical context. In the third section, students use a score to identify harmonic and tonal features and then apply this knowledge in the completion of a short and simple passage for SATB.

Assessment:

Assessment is through a 2-hour examination paper set and marked by Edexcel.

There are three sections: Section A: Listening; Section B: Investigating musical styles, and Section C: Understanding Chords and lines. Section A requires students to listen to extracts of music: and one CD per examination centre will be provided by Edexcel. In Section C, students may use a keyboard with headphones. A skeleton score is provided for Section A.

Students are given five minutes' reading time at the start of the examination.

Students will **not** have access to copy of the anthology during the examination nor to any musical software for Section C.
