Unit 3 Religion and Life Based on a Study of Roman Catholic Christianity

Content overview

This unit requires students to study the relationship between Roman Catholic Christianity and life in the UK. There are four sections covering believing in God, matters of life and death, marriage and the family, and religion and community cohesion.

The unit is based on a study of Roman Catholic Christianity but students will be expected to be aware of the broader Christian tradition.

Key words are given at the beginning of each section. Students should be aware of their meanings and be able to use them in their examination answers. A glossary of the key words can be found in *Appendix 4*.

In order to meet Assessment Objective 2, students need to be aware of a range of responses addressing religious and/or non-religious beliefs.

Assessment overview

Assessment will be through a one-and-a-half-hour examination. The examination will be divided into four sections and students will be expected to choose one of the two questions set on each section, ie four questions in total. Each question is sub-divided into four parts structured on an incline of difficulty.

Religious Studies papers are designed to give access to the full range of grades and are not tiered.

Quality of Written Communication will be assessed through Assessment Objective 1 in part c) of each question.
