

## Paper 2: Speaking in Spanish

---

### Content

Students are assessed on their ability to communicate and interact effectively through speaking in Spanish for different purposes.

Students will need to:

- convey information and narrate events coherently and confidently, using and adapting language for different purposes
- speak spontaneously, responding to unpredictable questions, points of view or situations, sustaining communication by using rephrasing or repair strategies, as appropriate
- use a range of vocabulary and grammatical structures accurately, including some more complex forms, with reference to past, present and future events
- make creative and more complex use of the language, as appropriate, to express and justify their own thoughts and points of view
- use accurate pronunciation and intonation in order to be understood by a native speaker, however, they will be able to access the highest marks available for each task without a 'perfect' command of Spanish.

These are assessed through a series of three consecutive tasks.

### Task 1 - Role play

The role play is an interaction requiring the student to ask and answer questions, to exchange information and to use different registers. The role play relates to either formal or informal scenarios, in turn inviting the student to use either formal or informal register relevant to the scenario. The task is set in the register that the student is required to use, so students should use that register in their responses.

The role plays are set and are provided by Pearson at the time of assessment together with a sequencing grid and instructions. For an example, please see the *Pearson Edexcel Level 1/Level 2 GCSE (9–1) in Spanish Sample Assessment Materials (SAMs)* document - *Paper 2: Speaking in Spanish, General instructions to the teacher* section.

Scenarios require an exchange of information. Some scenarios are transactional in nature.

The scenarios are based on any of the topics from Themes 1 to 4 (listed on pages 7 and 8) i.e. **not** on the Theme International and global dimension as this Theme lends itself better to the picture-based task and the conversation.

### Task 2 - Picture-based task

The assessment scenario is based on any of the topics (listed on page 8). The topic is allocated by Pearson at the time of assessment together with a sequencing grid and instructions. For an example, please see the *Pearson Edexcel Level 1/Level 2 GCSE (9–1) in Spanish Sample Assessment Materials (SAMs)* document - *Paper 2: Speaking in Spanish, General instructions to the teacher* section.

This assessment allows students to:

- describe and narrate events
- give information
- express, justify and exchange opinions.

Students are required to refer to past, present and future events in this assessment at both Foundation and Higher tiers, using different time frames.

The conversation allows students to cover all of the requirements outlined in the *Contents* section on page 11, including conveying information, giving points of view, developing and initiating conversation and discussion and producing extended sequences of speech.

The conversation is based on any two themes (listed on pages 7 and 8) and is in two parts.

For the first part of the conversation, the student selects one topic from one theme in advance of the assessment. The choice of topic must be agreed between the student and the teacher and must be selected no later than two weeks before the assessment takes place. This part of the conversation task starts with this first topic and then may move on to other topics within the same theme.

The second part of the conversation must be on a different theme. This will be prescribed by Pearson through instructions on a sequencing grid. For an example, please see the *Pearson Edexcel Level 1/Level 2 GCSE (9–1) in Spanish Sample Assessment Materials (SAMs)* document - *Paper 2: Speaking in Spanish, General instructions to the teacher* section.

This part of the conversation may focus on one or more topics from within the selected theme (see pages 7 and 8).

Students are required to refer to past, present and future events in this assessment, using a range of tenses and timeframes.

## General information

- First assessment: April/May 2018.
- The entire assessment must be conducted in Spanish.
- Students complete three tasks.
  - Task 1 – a role play based on one topic. This is allocated by Pearson at the time of assessment.
  - Task 2 – a task containing a picture and questions drawn from one topic. This is allocated by Pearson at the time of assessment.
  - Task 3 – conversation based on two themes. The first theme is based on the topic chosen by the student in advance of the assessment. The second theme is selected by the teacher from a choice of two themes allocated by Pearson.
- Task 1 is set in the register which the student is required to use.

At the time of assessment, Pearson will issue a prescribed order per student for their role play, picture-based task and two themes for the second part of the conversation. The teacher does not choose the order of the cards. Pearson will provide instructions on sequencing and a sequencing grid. For an example, please see the *Pearson Edexcel Level 1/Level 2 GCSE (9–1) in Spanish Sample Assessment Materials (SAMs)* document - *Paper 2: Speaking in Spanish, General instructions to the teacher*, section.

This grid has been designed to help ensure each student covers a broad range of themes from this specification.

- Assessments are conducted by centres within a five-week assessment period in April and May in any single year. Dates for the assessment period will be confirmed in the *UK Information Manual* at the start of each academic year. The assessment period will not always be continuous or be the same period each year, for example it will need to accommodate the Easter break which changes each year.
- The assessment materials provided by Pearson for all tasks may be accessed by the teacher no more than three working days before the prescribed five week assessment period. This is to enable the teacher to prepare for the assessment. The assessment materials in this pack must not be removed from the centre premises.
- Assessments are conducted by teachers in one session within a prescribed assessment window and then submitted to Pearson for external marking.
- Students are presented with instructions in English but must communicate entirely in Spanish for the duration of the assessment.
- Complete, unedited recordings of all assessments must be submitted to Pearson via the online Learner Work Transfer (LWT) portal.
- Each question is set in a context drawn from the topics. The assessment tasks will feature general content that is familiar and accessible to all students.
- Students must be permitted 12 minutes' preparation time to consider the questions and stimulus for tasks 1 and 2.
- Students are assessed on the quality of responses rather than length of assessment; however the assessment times are different to reflect the demand of each tier.
- All assessments are marked against assessment criteria, please see Marking Guidance for Paper 2 (below).
- All role plays are marked for communication only.
- Centres must have procedures in place to verify the identity of all students at the time of the assessment and confirm this on the *Candidate speaking examination record form (CS2)* (see *Appendix 1*). Centres are required to submit to Pearson one completed CS2 form for all students for each tier.

- The use of dictionaries is not permitted during the preparation time or during the assessment.

#### ***Foundation tier assessment time and marks***
