The Pearson Edexcel Level 1/Level 2 GCSE (9-1) in Spanish allows students to develop their ability to communicate in Spanish in both speech and writing. They will study language within a variety of thematic contexts relevant to their age and interests and will develop a greater awareness of the culture of Spanish-speaking communities and countries.

Students will need to develop and use their knowledge and understanding of Spanish vocabulary and grammar progressively through their course of study. A list of words that students are expected to use and understand is included in *Appendix 1: Vocabulary list*. This list of words is comprehensive and makes no assumptions about vocabulary previously taught. Grammar requirements are contained in the grammar list in *Appendix 2: Grammar list*.
