

Overview

- Learners should be able to explore, research and acquire techniques and develop their skills, knowledge and understanding in a range of media specific to Graphic Communication.
- Learners should explore relevant images, text, design and resources relating to Graphic Communication. Learners may use traditional methods such as drawing, printing and/or digital techniques to produce graphic images.
- Learners in Graphic Communication are expected to demonstrate specialisation in particular materials, media or processes to allow for an appropriate depth of study. This can be achieved by working toward the extension and development of particular themes, ideas or issues.
- Drawing skills should be understood and developed as appropriate to the ways of recording and communicating intentions, ideas and emotions in the context of Graphic Communication.
