

## 2c. Content of modules 1 to 6

---

Learners are expected to be able to demonstrate and apply their knowledge and understanding of all the learning outcomes in this specification. The learning outcomes in modules 2 – 6 are split into four categories, labelled **(a)**, **(b)**, **(c)**, and **(d)**, to order the specification in a helpful way for planning teaching programmes and to help identify the knowledge required of learners taking the course.

The headings for these categories are:

- (a)** Describe and explain
- (b)** Make appropriate use of
- (c)** Make calculations and estimates involving
- (d)** Demonstrate and apply knowledge and understanding of the following practical activities.
