

2c. Content of Socialisation, culture and identity: (01)

This component introduces learners to the key themes of socialisation, culture and identity and develops these themes through the context of one of three options of Families and relationships, Youth subcultures or Media.

These options develop skills that enable individuals to focus on their personal identity, roles and responsibilities within society and develop a lifelong interest in social issues. The following tables outline the content that must be studied. This is split into two sections, Section A and Section B.
