

## 4.2 Unit R067: Enterprise and marketing concepts

---

### Aims

---

Setting up and running a business enterprise is an exciting challenge which lots of people embark on every day. In this unit you will learn about the key factors to consider and activities that need to happen to operate a successful small start-up business. This unit will provide you with the knowledge and understanding of key enterprise and marketing topics. You will then demonstrate and apply this knowledge and understanding within the activities assessed for units R068 and R069.

In this unit you will learn how market research gives the entrepreneur an insight into the wants and needs of its customers, so that products and services can be developed to satisfy them. It also complements other competing products and services on the market to ensure a financially viable business.

As well as understanding your target market's needs, you will learn how the marketing mix elements must be carefully blended to enhance business performance. You will examine each element individually and explore the decisions that an entrepreneur needs to make. You will learn about the types of ownership for an enterprise and sources of capital available. Running a successful enterprise can be tough, but there is a lot of support available, which you will learn about so that you can understand how to obtain timely and appropriate guidance.
