

6.3.3 Student and centre declarations

Both students and teachers must declare that the work is the student's own:

- **each student** must sign a declaration before submitting their work to their teacher. A candidate authentication statement that can be used is available to download from [Teach Cambridge](#). These statements should be kept within the centre until all enquiries about results, malpractice and appeal issues have been resolved. **A mark of zero must be recorded if a student cannot confirm the authenticity of their work**
- **teachers** must declare the work submitted for centre assessment is the student's own work by completing a centre authentication form (CCS160) for each unit. Centre authentication forms **must** be kept within the centre until all post-results issues have been resolved.
