

4.3.3 Advanced Subsidiary GCE Further Mathematics (3896)

Candidates for Advanced Subsidiary GCE Further Mathematics will be expected to have obtained, or to be obtaining concurrently, either Advanced Subsidiary or Advanced GCE Mathematics.

The three units for Advanced Subsidiary GCE Further Mathematics must include:

FP1

The remaining two units may be any two other units subject to the conditions that:

- a total of **six** different units are required for certification in Advanced Subsidiary GCE Mathematics and Advanced Subsidiary GCE Further Mathematics;
- a total of **nine** different units are required for certification in Advanced GCE Mathematics and Advanced Subsidiary GCE Further Mathematics.

Candidates who certificate for Advanced Subsidiary GCE Further Mathematics before certificating for Advanced GCE Mathematics are strongly advised to recertificate for all previously entered qualifications whenever they subsequently make an entry for a qualification.
