

4.3.7 Advanced Subsidiary GCE Pure Mathematics (3898)

Candidates take one of the following combinations of units:

- either *C1, C2 and FP1*
- or *C1, C2 and NM*
- or *C1, C2 and C3*
- or *C1, C2 and C4*

No other combination of units may be used to claim AS GCE Pure Mathematics.

A qualification in AS Pure Mathematics may **not** be obtained in the same series in combination with any qualification in Mathematics or Further Mathematics.
