

2c. Content of Socialisation, culture and identity: (01)

This component introduces learners to the key themes of socialisation, culture and identity and develops these themes through the context of **one** of three options either: Families and relationships, Youth subcultures or Media. These options develop skills that enable individuals to focus on their personal identity,

roles and responsibilities within society and develop a lifelong interest in social issues.

The following tables outline the content that must be studied. This is split into two sections, Section A and Section B.
