

4.1 Review a brand using a range of sources

- The brand identity
- The promotional campaign
- The promotional materials
- Relevance and appeal to the identified customer profile
- Future developments / recommendations for further refinement of the brand and promotional campaign

Examples of a range of sources may include:

- Self-assessment
- Feedback from others:
 - Target customers
 - Pitching panel
 - Peers
 - Commercial contacts
 - Financial predictions
 - Competitor analysis and other external factors
- Lessons learned from practice and professional pitch
