

Learners will be expected to demonstrate skills, as defined in the Art and Design Core Content section of this specification, in the context of their chosen areas of art, craft and design.

In addition, learners will be required to demonstrate skills relevant to **two or more** of their chosen specification titles in the following:

- develop their ideas through investigations informed by selecting and critically analysing sources
- apply an understanding of relevant art, craft and design practices in the creative and cultural industries to their work
- refine their art, craft and design ideas as work progresses through recording, researching, selecting, editing and presenting artefact(s)/product(s)/personal outcome(s)
