

Knowledge and Understanding

Learners are required to demonstrate the knowledge and understanding listed below through practical application of skills to realise personal intentions relevant to their chosen titles and area(s) of Art, Craft and Design.

Learners are required to know and understand how sources inspire the development of their ideas.

Reference should be made to the following:

- the work and approaches of artists, craftspeople or designers from contemporary and/or historical contexts, periods, societies and cultures
- contemporary and/or historical environments, situations or issues
- other relevant sources researched by the learner in the chosen specification title and area(s) of study from art, craft and design
- the ways in which meanings, ideas and intentions can be communicated through visual, sensory and tactile language, using formal elements, including:
 - colour
 - line
 - form
 - tone
 - texture
- the characteristics, properties and effects of using different media, materials, techniques and processes, and the ways in which they can be used in relation to learners' own creative intentions and chosen area(s) of study in art, craft and design
- the different purposes, intentions and functions of art, craft and design in a variety of contexts and as appropriate to learner's work.
