

2c. Content of The World Around Us (J383/02)

This component explores the complexities of the planet and the interconnections that take place. It draws on a range of themes to examine the changing, dynamic nature of physical and human environments, the role of decision makers and the sustainable nature and

management of these environments. The content is divided into three themes exploring ecosystems of the planet, global development and the people who live on the planet, and some of the environmental challenges that the world faces.
