

2c. Content of Geographical Exploration (J384/03)

The assessment of this component will be fully synoptic in nature and will draw on both the Our Natural World 01 and People and Society 02 components. Although there is no specific content prescribed within the assessment of this component, it is anticipated that content from a range of topics

within both the Our Natural World 01 and People and Society 02 components will be applied, as appropriate, in relation to a specific unseen country context. The synoptic nature of bringing together ideas from different topics will allow learners to 'think like a geographer'.
