

2d. Content for non-exam assessment: Practical Performances (J587/04)

In Component 04, *Practical Performances*, learners are internally assessed through the NEA in performing three practical activities.

Learners are required to demonstrate effective performance, the use of tactics or techniques and the ability to observe the rules and conventions under applied conditions.

Learners must perform in three practical activities:

- one from the 'individual' list
- one from the 'team' list and
- one other from either list.

For the practical performances approved activities list, see sections 2d and 2e of the '*OCR GCSE (9–1) guide to NEA in Physical Education*'.

Learners can only be assessed in the role of player/performer.

Learners cannot use assessments in both 'team' and 'individual' versions of the same sport towards their final marks – for example, they may not enter marks for both singles and doubles tennis.

Learners may not enter marks for variations of the same sport – so they may not complete two forms of dance or Rugby Union and Rugby Sevens and use marks for both towards their final grade.

All the prohibited combinations are listed in the '*OCR GCSE (9–1) guide to NEA in Physical Education*'.

Any learner(s) using a combination of activities within this component that is in breach of the specification requirements may have part or all of their practical marks discounted from their overall assessment.

This component is internally marked using the assessment criteria found in section 2b.2. of the '*OCR GCSE (9–1) Guide to NEA in Physical Education*'.
