
2.6 Administration of internal assessment

- | | |
|-----------------------------------|---|
| 1 Internal standardisation | Teachers must show clearly how the marks have been awarded in relation to the assessment criteria. If more than one teacher in a centre is marking students' work, there must be a process of internal standardisation to ensure that there is a consistent application of the assessment criteria. |
| 2 Authentication | All students must sign an authentication statement. Statements relating to work, not samples, should be held securely in the centre. Those which relate to sampled students must be attached to the work and sent to the moderator. In accordance with a revision to the current Code of Practice, any student unable to provide an authentication statement will receive zero credit for the component. Where credit has been awarded by a centre-assessor to sampled work without an accompanying authentication statement, the moderator will inform Edexcel and the mark will be adjusted to zero. |
