Course structure

- Edexcel's GCE in French comprises four units and contains an Advanced Subsidiary subset of two AS units.
- The Advanced Subsidiary GCE is the first half of the GCE course and consists of Units 1 and 2. It may be awarded as a discrete qualification or contribute 50 per cent of the total Advanced GCE marks.
- The full Advanced GCE award consists of the two AS units (Units 1 and 2), plus two A2 units (Units 3 and 4) which make up the other 50 per cent of the Advanced GCE. Students wishing to take the full Advanced GCE must, therefore, complete all four units.
- The structure of this qualification allows teachers to construct a course of study which can be taught and assessed either as:
 - ◆ distinct modules of teaching and learning with related units of assessment taken at appropriate stages during the course; or
 - ◆ a linear course which is assessed in its entirety at the end.

1.1 Unit description

This unit rewards students for their ability to converse in French on a general topic area that they have chosen in advance. Students will need to demonstrate that they can engage in a discussion in French that relates to a chosen general topic area and allied subtopics. The first part of the assessment will focus on an Edexcel-provided stimulus that links to the chosen general topic area but the conversation will then move away from the stimulus to consider other aspects of the chosen topic area.

Students will be expected to give relevant and appropriate information, convey opinions, interact and respond to a range of questions. They must choose **one** of the following general topic areas:

- Youth culture and concerns
- Lifestyle: health and fitness
- The world around us: travel, tourism, environmental issues and the French-speaking world
- Education and employment.
