Content summary:

This unit encourages students to develop their composition skills leading to the creation of a three-minute piece in response to a chosen brief. Students also write a CD sleeve note to describe aspects of their final composition and explain how other pieces of music have influenced it.

Assessment:

In September of each year Edexcel will publish on its website (www.edexcel.com) a document entitled *Unit 2: Composing*. Section A will contain four composition briefs from which students will select one as the basis for a three-minute composition. In Section B students will answer three questions to provide information that could be used for a CD sleeve note to accompany their composition. Both sections of the examination must be completed under controlled conditions. The composition and CD sleeve note will be externally assessed.
