

10.2 Assessment information

Examination paper

This unit is assessed by means of a written examination paper of 1 hour 35 minutes duration. The paper will consist of objective questions, short questions and long questions. Students may be required to apply their knowledge and understanding of physics to situations that they have not seen before.

The total number of marks available for this examination paper is 80. It contributes 20% to the Advanced GCE in Physics.

Calculator

It is recommended that students have access to a scientific calculator for this paper.

Formulae sheet

Students will be provided with the formulae sheet shown in *Appendix 8: Formulae*. Any other physics formulae that are required will be stated in the question paper.
