

4.2 Assessment information

The unit assessment consists of a single 2 hour examination. The examination paper will be divided into two sections, a and b, one focusing on clinical psychology and one focusing on issues and debates. Each section will contain short-answer questions and a section of extended writing.

There will be 90 marks available for this paper, the unit constitutes 30% of the Advanced GCE.

Students will be expected to be able to answer examination questions focused on practical work conducted within the unit. These questions will focus on the content of practical work as well as methodological issues.

All examination questions will be compulsory except at the end of
