
Unit 1 Listening and understanding in Spanish

Overview

Content overview

To prepare students adequately for this unit, teachers should present and exploit a range of vocabulary relevant to all the common topic areas listed in the *Common Topic Areas* table and, where appropriate, building on the Key Stage 3 Programme of Study. Students should become accustomed to hearing the Spanish language spoken in a range of styles or registers and in a variety of different contexts, as appropriate to their age and level of understanding. Spoken material will feature both male and female voices and represent different age groups. Featured scenarios and situations are generally set in a Spanish-speaking country and students will be expected to develop appropriate cultural awareness and understanding.
