

Paper 1: Listening

Assessment overview

- Assessment is a 40-minute examination paper, plus five minutes' reading time. The paper is set and marked by Edexcel.
- The total number of marks for the paper is 50.

The examination will cover a range of topic areas selected from those listed on page 11. The examination will consist of several short recordings played by the invigilator. Students will have five minutes' reading time to read through the paper and familiarise themselves with it before the recordings are played. The recordings, each of which will be heard twice, will last no longer than 40 minutes including pauses. All texts will be spoken by Spanish speakers.

Students will be required to listen to a range of factual and non-factual material of varying lengths, in different contexts and in different registers.

The extracts will increase in length. The first passages will be the shortest and will be tested through non-verbal responses, such as ticked boxes or matching exercises. Subsequent passages will be tested through a range of question types, both verbal and non-verbal.

The grammatical accuracy of students' language will **not** be assessed in this paper. Answers written in English will score no marks.

Students will be assessed on their ability to:

- identify and note main points
- deduce the meaning of words from context
- extract specific details
- identify points of view
- show some understanding of unfamiliar language
- recognise attitudes, emotions and opinions.
